The North Coastal Sheriff's Crime Prevention Unit promotes the principles of Crime Prevention Through Environmental Design (CPTED) as the most effective way to confront crime.

This environmental approach incorporates 5 key components:

- Surveillance
- Lighting
- Physical Security
- Evidence of Activity
- Neighborhood Watch

The North Coastal Sheriff's Crime Prevention Unit provides free consultations to residents of Encinitas, Solana Beach, Del Mar and Rancho Santa Fe.

Consultations take no more than 1 hour.
