Adjourn

All deliberations will occur during open session via the online meeting platform Zoom with the Art Jury and Association Staff. Applicants and their consultants may adjourn and deliberate outside the virtual meeting room and without presence of the Art Jury during meetings, if they wish. Preview and site visits of items on the agenda, by the Art Jury and Association staff, may occur for the purposes of fact-finding and reviewing visual aspects of the project site. However, there will not be any formal decisions made during the preview and site visits.

INACCURATE APPLICATIONS

Association Staff relies on Applicants to accurately summarize the proposals on their Building Applications. In some cases, an Applicant's summary description of a proposal fails to contain all pertinent building information as shown on the proposed plans. However, unless an Applicant's proposal summary materially differs from the proposed improvements, Association Staff generally will not require an additional notice to the Membership before the Art Jury considers the proposal on its merits. As such, please note that some matters the Art Jury will discuss about a proposal may include important additional information not expressly stated on this notice.

INCOMPLETE APPLICATIONS

As of the date of this Notice, Association Staff has not yet determined whether each application listed in this Notice is complete. If Association Staff finds an application to be incomplete, the Art Jury generally will not consider the merits of such proposal at this scheduled meeting. The Association therefore encourages interested Members to contact the Association shortly before this Art Jury meeting to confirm whether Staff has determined any application of interest to be incomplete.
